Instructor	Text Responses
	Question: Comments on course effectiveness
	The instructor went too fast for me. I think he just assumed students knew more then I did I figured it was an introduction course but it was difficult for me to follow along. I think there should be a prerequisite for this course. The instructor was good, just went too fast.
	Multiple books seemed unnecessary considering the content that is available online. Everything else was helpful, I learned a lot.
	niente
	Question: Comments, suggestions on instructor performance
GEHL	Friendliness, likability, knowledge.
GEHL	He is good at coding and debugging.
